Video Package Description

This package has an six-hour shooting day, editing is included. You receive 3 approximately 1 hour long DVDs. Please provide **5 pieces of music** you would like used in your DVD **including your first dance song** and a copy of your invitation. Music and any customization requests are due no later than your wedding day.

Your wedding DVD has a customized menu consisting of six chapters to select from.

CHAPTER ONE: INTRODUCTION

The introduction is set to a piece of music you have provided so it lasts the length of that song. The shots are in letterboxed format with elegant effects, slow motion and dissolves. The shots featured within your introduction will consist of color and black and white images of special moments from your day.

CHAPTER TWO: PRE-CEREMONY

This chapter lasts about 5 minutes. It consists of real-time footage from those exciting moments before the ceremony such as the bride putting on her dress or checking her make-up. You might see the groom putting on his shoes or checking his watch. This section also includes guest arriving to your ceremony and shots of the ceremony venue.

CHAPTER THREE: THE CEREMONY

This chapter begins with your procession. You will see the bride enter and all elements of the ceremony that follow. It will last approximately 15-20 minutes and feature all key moments of the proceedings.

CHAPTER FOUR: POST-CEREMONY

This chapter consists of your photo session with your photographer and the moments before the reception. You will see candid shots of the wedding party as pictures are being taken and candid shots of your guests at the reception venue. This section will last the length of the song.

CHAPTER FIVE: THE RECEPTION

This chapter begins with the wedding party introductions including you and your new spouse! Any event you may include in your reception will be documented here. We will also include a selection of shots featuring you and your guests dancing the night away! This chapter lasts 15-20 minutes.

CHAPTER SIX: HIGHLIGHTS

Your wedding DVD concludes with a chronological recap of your very special day. It is set in letterbox format with dissolves and slow motion. Some shots will be color and some will be black and white. It will last the length of the song chosen.

As part of this package, your highlights portion will be posted online and a link will be provided to you to send to family and friends.
